RAYVA AND WELLNESS

Wellness is a new big trend among consumers, leading to the rise of the pursuit for healthier, happier and more enriched lifestyle. RAYVA is fulfilling this need with its cutting edge, patent pending, easy-to-assemble and ready-to-install wellness environments. For home or at work, a Rayva Wellness Room is a place to reenergize yourself with exercise, relaxation and meditation. A place to escape from the stress of modern life and connect with one's soul.

A RAYVA WELLNESS ROOM FOR THE HOME

Rayva Wellness Rooms for the home provide the right atmosphere and optimum benefit from exercise and meditation. Projected images of nature on the walls create a highly uplifting and inspiring environment, the perfect backdrop for the mind to escape from everyday stress and achieve state of mindfulness.

GETTING IMMERSED IN A RAYVA WELLNESS ROOM

Unlimited images and sounds come with a Rayva Wellness Room:

- Calming seascapes
- Breathtaking mountain vistas
- Enchanting sunsets
- Immersive sounds of crashing waves
- Rainforest ambience
- Soothing music
- Life-changing Masterclasses taught by renowned experts

INCLUDED IN A RAYVA WELLNESS ROOM

- A system of flexible, patent-pending, easy-to-assemble wall panels
- Large, projected video images to create the feeling of being outdoors.
- Immersive audio for easy listening of sounds of nature and music
- Acoustical treatments to make the room quiet and peaceful
- Open space to accommodate optional stationary bikes, yoga mats, massage chairs and other accessories.
- Optional video game equipment for immersive video game playing
- Sensory relief through color-changing light illumination
- Biology driven circadian lighting to reset life to a more natural state
- Access to exercise and meditation apps
- Automation for ease of operation

INSTALLING A RAYVA WELLNESS ROOM AT HOME

A Rayva Wellness Room for the home provides the right atmosphere and optimum benefit from exercise and meditation. Projected images of nature on the wall panels create a highly uplifting and inspiring environment, the perfect backdrop for the mind to escape from everyday stress and connect with one's soul.

A Rayva Wellness Room can be installed in any part of the house, a small bedroom or a basement in less than a day.
